

18 March 2016

WOW – What a Night!

The weather cards looked stacked against us but it cleared up just in time. The sun made an appearance and the wind settled, allowing us all to have a fabulous night.

The crowd was a sea of smiling faces, I was amazed to see so many families come along and support our school fundraiser, when the forecast had looked so bleak.

The Twilight Fair is our major fundraiser for the year, the money raised allows the Parents Club to take part in projects that benefit the whole school community. Thank you for your support.

Preparation for a night like this needs many people to assist in bringing it all together, there are so many people to thank.

Thank you to those of you who braved the elements and help set up during the day.

Thank you to the teachers and volunteers who assisted on stalls, many of you worked through the night, as we were short on volunteers again this year.

Thank you to all our sponsors! Many local businesses donated prizes for our raffle, donated goods for various stalls/BBQ, or provided goods at discounted rates. Our sponsors are listed in this newsletter, please consider supporting them next time you require goods or services as they are supporting our school.

Thank you to all who provided baked goods for our cake stall. We received some amazing creations and the stall looked scrumptious as always.

Thank you to the Eastwood family, each year this amazing family donate their time and hot chip van to feed the masses. They took it one-step further this year providing us with homemade pizza! We cannot thank you enough.

Thank you to Matt Stone, our DJ who entertains us every year. A special thank you to our school choir for treating us to the beautiful display of your hard work.

Thank you to Lorraine Pedder for all the hard work you do, both leading up to and after the event. Lorraine is the person who ensures the school looks tip top again before students return Monday morning.

Thank you to everyone else that helped over the past six months in bringing it all together. There are too many of you to thank individually, but we greatly appreciate every little (and big!) job you did.

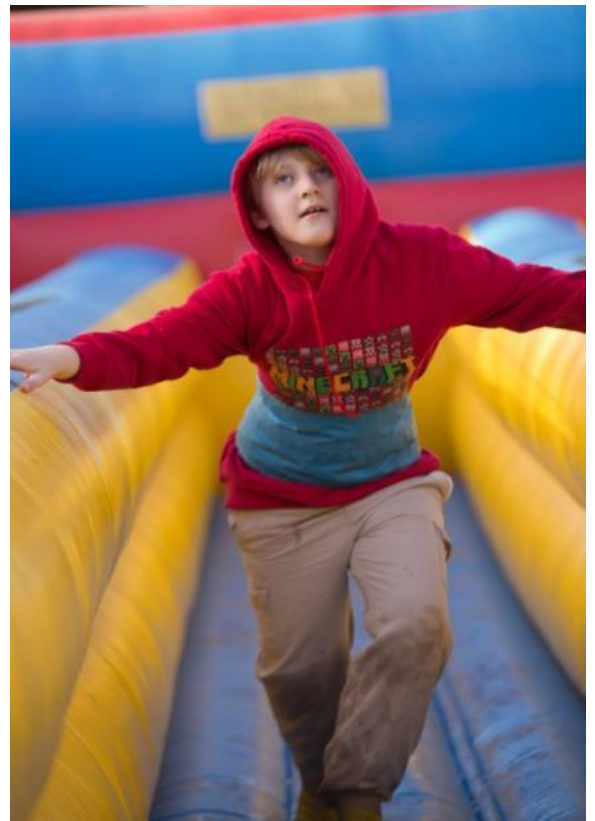

Lastly, thank you to the Parents Club Committee and parents that took on coordinator roles this year. The hours and days and weeks you all contributed are what make this night such a great success. Thank you, thank you, and thank you!

Parents, please consider helping us out next year, there are so many ways in which you can assist. If you would like to participate please leave your name and number with the lovely ladies in the school office.

Until next year,

Mel Barley
Fair Coordinator
