**Message from the Principal**

**Hi Everybody,**

**We Are ‘Counting’ on It**

Last Wednesday evening over 80 parents and staff gathered in the Early Learning Centre for an evening talking and using mathematics. Introduced by Glenn Storr, our maths mentor Michael Ymer commenced the evening by focusing upon the differences in the teaching of maths and how adults, adolescents and children actually use mathematics in our daily lives.

Michael’s main message when working with young children was to focus on full understanding of the smaller numbers and not be too eager to introduce complex ‘sums’, rather, explore how numbers are related to each other.

His tips on controlling holiday spending whilst allowing children to actively experience the elements of budgeting, saving, value and even calculating percentages were well received. The hour and a half came to a close all too soon with everyone leaving well satisfied.

Michael Ymer will be back in the last week of term to conduct actual maths sessions in four classes so that the Prep, One/Two, Three/Four and Five/Six teams of teachers can observe how the theory is transferred to the classroom.

**Chinese Hosts**

Just a reminder that next **Wednesday June 10 at 6.00pm** there will be a meeting in the Staff Room for families interested in finding out a bit more as to what would be involved in hosting a Chinese student in August. This is the second time students from our sister school have ventured to Montrose. Come along and find out about this exciting venture.

**Barbecue Help Needed**

Schools and community groups have the opportunity every now and then to get a quick injection of fundraising when your name comes up on the Bunnings BBQ roster. Groups normally only get to apply every second year. Our name has come up and our date is SUNDAY JULY 19. We need volunteers to come and assist on the day. (All the preparation and organisation of the sausages, bread and drink will already be done).

Please put your name down on the return slip in the newsletter. We will make a reminder call closer to the date.

Neil Pollard
Thank you Rachel Fichtner, Nicole Foster and Sandra Rowe for your help in the
canteen on Friday and Elle Marcombe for helping on Wednesday. This week’s
helpers are Emily Watson for Wednesday 10th June and Paula Maki, Leanne Peacock
and Nicki Thomas for Friday 12th.

Due to soup order forms not coming home yesterday, because of the public holiday,
it will be ok for you to order Tomato soup on the day tomorrow.

Soup for next Wednesday 17th June is Pumpkin Soup! Remember to get your order
form in by the end of Tuesday.

Thanks.
Alison

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:
- $125 for primary school students
- $225 for secondary school students.

How to Apply
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Closing Date
You should lodge a CSEF application form at the school by 26 June 2015.

DIVISIONAL CROSS COUNTRY

Best of luck to the 9 students who are competing at the Divisional Cross Country today at the Yarra Glen Racecourse. These 9 students progressed to this level after finishing in the top 10 at the District Cross Country.

11 girls – Tayla M, Jemima W, Anastasia S
12 boys – Nicholas D

Also congratulations to Jye P and Maddy B for winning the raffle prize for School Cross Country training. All students in the team were given a training diary. Students who handed in the diary received raffle tickets depending on how many training sessions they had completed. Both Jye and Maddy are very worthy winners, with both students attending nearly every training session and always trying their best. Their results at the District Cross Country really reflected their effort at training too.
